

## Texas Longhorns Australia Sponsorship Request 2025

Dear Sponsor,

With less than 1000 registered females spread across Australia, Texas Longhorn Cattle are still considered to be a rare breed. Texas Longhorns Australia Inc is a national association hosting the records and registrations of Texas Longhorn Cattle within Australia. The TLA formed as a social group for longhorn enthusiasts in 2008 and moved to become an incorporated association to form Australia's first and only Texas Longhorns register in 2010. Along with keeping the studbook the TLA offers a number of competitions and events for its members throughout the calendar year, the pinnacle event of which is the Annual National Show.

In its 15th year as an incorporated association Texas Longhorns Australia will be hosting the National Halter Show & Futurity in Taroom QLD. August 2025 will see the 12<sup>th</sup> annual halter show held for the second time in the sunny state of QLD.

Each year our show has been growing from strength to strength, starting off with less than 10 animals exhibited at the very first show back in 2014, to almost 40 exhibits last year. Over the years we have seen owners as young as 2 years old through to owners in their 70's compete with their cattle. The Texas Longhorn is a breed for everyone!

Texas Longhorns Australia has a strong focus on youth, encouraging young members to be involved in all aspects of the show and boasting a number of youth only classes. We hope that the support of our junior members will help to grow future generations of Texas Longhorn Breeders. With your support we would love to be able to offer more classes to grow our showcase of these amazing and unique animals even bigger!

In 2025 we are once again bringing back the Limited Edition show shirts, to showcase all our incredible sponsors of this very unique event. We plan to Keeping the costs of living in mind, we would like to offer a variety of different levels of sponsorship, to suit every budget, however any and all support is welcome and in-kind donations of services of goods are also greatly appreciated.

The Texas Longhorns Australia Inc Association whole heartedly appreciates your support and would love for our sponsors to come on down and attend our show and enjoy the showcase of this amazing and unique breed. Our sponsors are welcomed and encouraged to bring or supply banners or promotional flyers to be displayed throughout our event, we would love to give your business the biggest shout out! Our sponsors are also very welcome to have a ringside display on the day of the show – we would love to see you in Taroom on the 30<sup>th</sup> of August 2025!

*Thankyou for supporting Texas Longhorns Australia*
